

# Boab Festival MARDI GRAS

## **Providing Healthy Food and Beverage Options**

Your trading at The Boab Festival MARDI GRAS is conditional upon you offering healthy food and drink options by;

Sugary drinks will not be on display – e.g. Vendors remove red drinks from front counters or menu boards and move to the bottom of fridges or behind counters away from line of sight for customers. Boab Festival at Derby will be checking this throughout the duration of the event to ensure vendors comply.

Free bottled water will be supplied by the Boab Festival committee and be displayed prominently by Vendors. e.g. placed on counters or in direct line of sight. Boab Festival at Derby will be responsible for checking this throughout the duration of the event to ensure vendors comply and do not charge for supplied bottled water.

All vendors or food and beverage contractors attending Boab Festival MARDI GRAS will offer as a minimum one (1) green food item/option on their menus as per recommendations provided by WASCA menu assessments.

This is a no smoking and no alcohol event, all your staff are to be advised.
